July, 1983: Directed mapping of Josslyn Island shell mound, 8LL32, Lee County, Florida, for Florida State Museum; project funded by private contribution

May, 1984: Co-directed excavations and backhoe tests in western Kentucky; second phase of “Early Humans in Western Kentucky” project; funded by Kentucky Heritage Council

March and May, 1985: Directed preliminary test excavations at Josslyn Island Shell Mound, 8LL32, Lee County, Florida; project funded by private contribution

September and October, 1985: Directed test excavations at Useppa Island, Collier Inn site, 8LL51, Lee County, Florida; project funded by Useppa Island Club

February, 1986 - June, 1987: Directed multidisciplinary research project, The Development of Cultural Complexity in Southwest Florida; funded by National Science Foundation (BNS85-19814)

July and August, 1987: Research Associate, field survey and satellite imagery research, Saône-et-Loire and Nièvre, France, co-directed by C. L. Crumley and S. L. H. Madry; funded by National Geographic Society

October, 1987: Reconnaissance and testing, Galt Island (8LL27, 8LL81), Lee County, Florida; project funded by landowner/developer

Winter, 1988: Field survey, Carlton Tract, Sumter County, Florida (with Brent R. Weisman); project funded by Southwest Florida Water Management District

May, 1988: Test excavations, Pineland site (8LL33), Lee County, Florida; project funded by landowners

June, 1988: Archaeological survey in St. Didier and St. Nizier communes, Saône-et-Loire, France; with Carole L. Crumley; unfunded research

May, 1989: Test excavations, Pineland site (8LL33), Lee County, Florida; project funded by landowners

September, 1989: Test excavations, Galt Island (8LL81), Lee County, Florida

Fall, 1989: Directed excavation projects at Horr's Island, Collier County, Florida, funded by Ronto Developments Marco

1989-1990: Directed Florida Museum of Natural History's participation in the archaeology/education project, “The Year of the Indian,” Special Category grant from Bureau of Historic Preservation, Florida Department of State, including excavations at Useppa Island (Oct.-Dec., 1989) and Pineland (March-May, 1990)

March 30-April 1, 1991: Test excavations at the Wightman site, Lee County.

February-May, 1992: Directed Florida Museum's participation in the archaeology/education project, “The Year of the Indian”; excavations at Pineland, Lee County, Florida

March, May, 1993: Directed archaeological testing for nineteenth century Spanish Cuban fishing village sites, Useppa Island, Lee County, Florida

December, 1993-May, 1994: Directed Mound Key mapping project, Lee County, Florida

February, March, 1995: Directed excavations at Pineland Site Complex, Lee County, Florida

Spring, 1999: Directed survey in coastal Charlotte County, Florida (with Robert Patton)

Spring, 2002: Documentation of excavations, Randell Mound, Pineland Site Complex (with Karen Walker and John Worth)

February, March 2006: Two visits to joint RRC excavations on Useppa Island, in association with John Dietler

November, 2006: Directed salvage excavations on Useppa Island, with John Worth and Kara Bridgman Sweeney; co-directed analysis phase with Karen Walker

July 2007-January 2008: Co-directed test excavations at Pineland Site Complex, with Karen Walker, in advance of reforestation (over 800 trees were planted)

October, 2007: Co-directed salvage excavations at Mound 4 of the Brown's Mound Complex at Pineland.

November-December, 2008, December 2009: Supervised test excavations at Mound 5 of the Brown's Mound Complex at Pineland

June-July, 2011: Supervised test excavations at Citrus Ridge at Pineland; coordinated remote sensing pilot project at Pineland with Victor Thompson (Ohio State University)

March, November, December 2012: Supervised test excavations, southern ridge, Useppa Island (with Karen Walker)

May, 2013: Resistivity and ground-penetrating radar survey and preliminary testing, Mound Key (with Victor Thompson)

May-June, 2014: Excavations at Mound Key (with Victor Thompson and Karen Walker)

March, 2015: Excavations at Pineland Site Complex, Randell Complex (with Karen Walker)

July-August, 2015: Excavations at Pineland Site Complex, Randell Complex (with Karen Walker)

May 4-7, 2016: Reconnaissance, Mound Key (with Victor Thompson, Karen Walker, and Michael Savarese)

January 7-February 7, 2017: Excavations at Mound Key (with Victor Thompson, Karen Walker)

February 27-March 18, 2017: Excavations at Pineland Site Complex (with Victor Thompson, Karen Walker)

May 4-June 3, 2017: Excavations at Mound Key (with Victor Thompson, Karen Walker)
