

PCPPIRETEACH

B. Webquest: Scientific Illustrators

Use the link from the *Science Illustration Graduate Program at CSUMB* as a starting point in checking out the work from a variety of scientific illustrators:

<http://scienceillustration.org/gallery/galleryhome.htm>

Directions: Visit at least 3 sites and answer the following focus questions for each illustrator

A) Whose site did you visit? _____

Focus Questions:

1. What did you notice that all the scientific illustrations had in common?
2. What did you learn from the illustrations about living things?
3. What did you like about the illustrations?

B) Whose site did you visit? _____

Focus Questions:

1. What did you notice that all the scientific illustrations had in common?
2. What did you learn from the illustrations about living things?
3. What did you like about the illustrations?
