

Science & Engineering Practices

A photograph of two students in a laboratory setting. They are wearing white lab coats and are focused on a task at a table. One student is pointing at a diagram on a piece of paper, while the other is looking at a small object in their hand. There are various lab equipment and materials on the table, including a tray with plastic bags and some electronic components.

Using Mathematics

A photograph of a student working on a laptop. The student is wearing a white lab coat and is looking at the screen. There are some papers and a calculator on the desk next to the laptop.

& Computational Thinking

A photograph of two men standing in a field. The man on the left is wearing a white cap with 'FLORIDA MUSEUM' on it, sunglasses, and a light-colored shirt. The man on the right is wearing a grey t-shirt. They are both looking down at something in their hands. The background shows a field with some trees and a body of water.
