

OFF Science ~~on~~ Tap: Changes on the Horizon

The Sunshine State is experiencing many environmental changes, but how will these changes affect the future? The Florida Museum and the UF Thompson Earth Systems Institute invite you to grab your favorite local brew and join us virtually to learn from scientists about what changes are on the horizon for urban streams, wildlife and mangroves.

Urban Streams

Thursday, Sept. 10 | 7-8 p.m. EDT

Zoom Registration:

<https://bit.ly/SOTUrbanStreams>

CSI Wildlife

Thursday, Oct. 8 | 7-8 p.m. EDT

Zoom Registration:

<https://bit.ly/SOTCSIWildlife>

Mangroves on the Move

Thursday, Nov. 12 | 7-8 p.m. EST

Zoom Registration:

<https://bit.ly/SOTMangroves>

This virtual event is FREE. Join us via Zoom or watch live on Facebook @UFEarthSystems and @FloridaMuseum.
